VOLUNTEER OPPORTUNITIES

K-9 Crew
Responsibilities of crew members include exercising and socializing shelter dog, cleaning kennels, doing dishes and feeding pups are just a few of the task that the crew assistants with. Dogs must be walked on a leash. Bathing dogs and basic grooming is an essential task in some instances! Keeping track of the dogs exercise time is also required!

**Feline Crew**
Feline crew members have the important task of holding, loving, brushing and playing with cats to keep them socialized. Crew members also help maintain a healthy and sanitary environment for the cats. This job includes assisting in cleaning litter pans, thoroughly disinfecting cages and feeding/water as necessary.

**Off-Site Adoption Crew**
Volunteers represent SpokAnimal at different off-site locations. Crew members are responsible for setting up and breaking down crates, x-pens, and tables along with answering questions about the adoptable animals, providing care to those animals and completing accurate adoption paperwork.

**Foster Care Crew**
Care for shelter animals in your own home. It could be kittens or puppies that are too small or too sick to be in the shelter and need love and care for a short period of time. Once they are old enough to be adopted they can come back to the shelter or you as foster parents can take them to off-site adoption events. SpokAnimal provides everything you need, from food and bedding to medication! You provide the space and all the love that these little critters need! Classes and information are offered for those interested. Additional paperwork and home visit required for fostering program.

**Adoption Follow-Up Calls Crew**
Make calls to new adoptive parents following their new pet’s transition into their forever home. This opportunity can be done from the comfort of your home on your time. This requires asking the new adopter just a few simple questions about how the animal and new adopters are adjusting. A script is provided.

**Special Events Crew**
Represent SpokAnimal C.A.R.E. at community events and fundraisers. The variety of tasks at each event includes, but is not limited to: planning, phone calls, mailings, set-up, teardown, and evaluation. Assist with one event or several throughout the year.

**Shelter Hours**
Mon-Fri 11AM - 6PM
Sat-Sun: 11AM - 5PM
At SCRAPs, we love our volunteers! Our volunteer program supports every aspect of our work from walking dogs and socializing cats to educational outreach and special events. As a volunteer, you will work with staff and other volunteers who share your interests. You don’t have to be experienced; all you need is to love and respect animals and be able to make a time commitment that fits best into your schedule.

Prospective volunteers are required to attend an Intro to SCRAPs meeting and a Volunteer Orientation. In addition, most volunteer positions require further training either in a class or on the job. At the Intro to SCRAPs meeting you will be able to pre-register for the Volunteer Orientation. Intro to SCRAPs meetings are held approximately every other month.

Intro to SCRAPs meeting schedule for 2011:
Saturday July 9, 2011  Saturday Oct 8, 2011

Note: All meetings are 10-11 AM at SCRAPs

For the benefit of the animals and staff, we require a time commitment of six months of volunteer work with a minimum of five hours per month.

Volunteers are scheduled for shifts rather than just dropping in to help. After you are trained, you will be scheduled according to the position you apply for and your availability.

For safety reasons, there is an age restriction of 16 or older to work at the shelter or directly with the animals. Younger than 16? Need community service hours for school? Click here.

Why does it take so long to get started? Volunteer orientation sessions fill quickly. Once these sessions are full we usually cannot open them up to additional participants or hold orientation sessions more frequently because each of our 30+ new volunteers needs to be properly trained and oriented. Time is spent with each new valued volunteer to make sure they are getting the most out of their volunteer experience and are signing up for volunteer jobs that are of value to the organization and to the animals. This process helps to maintain the quality of our volunteer program - thanks for understanding!

At SCRAPS, staff and volunteers work together to care for the animals and enrich their time here at the shelter. There are many ways volunteers make things better for the animals. Click here to see some of the many volunteer positions at SCRAPS. Not all jobs are open at all times; open positions will be posted at the Volunteer Orientation.

Click here to read our Volunteer Policies and Guidelines.

If you have already attended an Intro to SCRAPs meeting and the SCRAPs Volunteer Orientation, click this link: Volunteer Registration Form to submit your Volunteer Registration online. If you have not attended these meetings please do not fill out this form, as your registration will not be accepted. Instead, see the Intro to SCRAPs schedule above and come to the next meeting to learn more about volunteering at SCRAPs. Thank you and Welcome!!

**Volunteer Opportunities**
SMH is a comprehensive mental health provider for the residents of Spokane County. Due to the wide array of services, we depend a great deal on the community for volunteer support. Whether you want to work with those in an immediate crisis, elders who need transportation, or seniors who need peer counseling, SMH has numerous volunteer opportunities.

**First Call For Help**
Trained volunteers, under the supervision of SMH professional staff, provide 24 hour telephone crisis intervention, information, assistance and supportive listening in a confidential and caring manner. First Call For Help also serves as the first level of response for all calls received after normal business hours at SMH.

Four hour shifts are available, once a week or more, and we work with your schedule to set your volunteer hours. As a volunteer you will participate in an extensive 30 hour training program.

Volunteer training includes:
- Telephone techniques
- How to access referral information
- How to refer callers to relevant resources
- Crisis intervention techniques
- Supportive listening skills
- Role play scenarios
- Overview of mental illness
- Overview of community resources
**Care Cars**
Friendly volunteers (19 years of age and older) share time by providing escort transportation for older adults who are unable to drive a car or use public transportation to medical appointments. Individuals can choose a volunteer schedule that best matches their own needs. In addition, volunteers receive mileage reimbursement.

Volunteers receive training that prepares them for providing escort services to elders who are most in need of assistance, but not wheelchair bound or immobile.

For more information, call (509) 458-7450.

**Senior Peer Counseling**
Sensitive, compassionate men and women, aged 55 or older, are chosen as counselors for their ability to establish trust and rapport with peers seeking help. Volunteers offer similar life experiences and the ability to actively listen.

Volunteer counselors aid peers in rediscovering and developing a positive self-image, greater self-awareness and feelings of accomplishment. The Senior Peer Counselor’s effectiveness is due to a commonality of experiences that create a bond of trust between volunteers and elders.

For more information, call (509) 458-7450.

We are a gathering of dedicated attorneys, paralegals, legal interns, and others who — along with volunteers from local high schools, colleges, universities, and the community — believe that justice truly is for all. Through legal advocacy for people and issues others cannot or will not take on, we seek to foster dignity for everyone. Our work encourages right relationships between citizens and their government, between environmental and economic health, and among all our community’s citizens.

Global Neighborhood

Volunteers are asked to commit to serving one family or individual during their work with Global Neighborhood. With the assistance and support of Global Neighborhood staff, volunteers interact with families on a weekly basis, ensuring the family or individual receives consistent and loyal care. This can come in the form of many things, including but not limited to:
-English skills practice
-Cultural orientation
-Food Education
-Bus Transit Education
-Visiting families and sitting with them
-Introducing your family and friends to them

While life-skills training is important, we have found that relationships are oftentimes valued by families over services.
-one year of service with a family or individual, 3 hours per week.
-19 years of age or older.
Application, cultural orientation training and a Washington State Patrol Background Check required
Volunteers must be willing to communicate by email or telephone with the Volunteer Coordinator. Call or email for updated volunteer opportunities.

“My Brother’s Keeper” is a video project which, we hope, may eventually become a reality-based television project. **World Relief**
Volunteer Coordinator: Patt Walker
509.484.9829 ext. 145
pwalker@wr.org
Every year, World Relief staff and volunteers help thousands of refugees - victims of war and persecution - replant their lives in the United States. Together we come alongside America's newcomers, helping them adjust to the culture, find employment, learn English, take steps towards citizenship and build a future for themselves and their children.

**Friendship Partners**
Offering friendship shows God's love in ways material gifts cannot. Going on shopping trips, practicing English, and reading to refugee children are only a few of the ways to be a friend to a refugee. Friendship Partners help refugees learn about their local community, answer many questions refugees have when they arrive, and ultimately develop a reciprocal friendship.

**English Tutor**
The ability to speak English is one of the most important skills a refugee must acquire. It is also one of the most difficult! While most refugees attend English as a Second Language (ESL) class, extra one-on-one practice is extremely valuable. Help teach the basics of English to a refugee at their home, and become friends in the process. (We provide training to help prepare you to teach ESL.)

**Job Skills Mentor**
Self-sufficiency is impossible without employment. You can help empower a refugee to successfully find their first job by helping them learn how to fill out job applications, practice job interviews, and teach them about U.S. work culture.
**Transportation Assistant**
Assist newly arrived refugees with transportation to places such as medical appointments and jobs.

Inland NW Blood Center 210 W Cataldo Ave Spokane 99201
Selina Worley. Volunteer Coordinator

Mobile blood drives and donation centers
Volunteers are always needed to assist with our mobile collection units, and in-house operations. Opportunities to volunteer while traveling the Inland Northwest are as follows:

Canteen Service
The canteen provides refreshments to blood donors as a thank you for the precious gift of life they have just given. Volunteers serve the donors, answer questions, and watch for donor adverse reactions post donation.

Courier Service
Couriers travel throughout the Inland Northwest to our mobile blood drives. The blood products are picked up at the mobile site during the blood drive and it is brought back to the blood center in Spokane. INBC provides all transportation vehicles for this service.

Clerical Assistance
Many departments utilize volunteers to fulfill clerical needs. These include computer work, filing, and other projects, which provide valuable assistance to our staff.

Tele-recruitment
The INBC recruitment department utilizes volunteers in tele-recruitment. This position calls existing donors to notify them of upcoming mobile blood drives as well as special promotions.

INBC is in need of volunteers at the following locations, as well as various mobiles in our communities:
Spokane Collection Center
Coeur d’ Alene Collection Center
Moses Lake Collection Center
Lewiston Collection Center

If you have any questions or would like more information about volunteering with INBC, please contact: Selina Worley, Volunteer Coordinator 509-232-4470 or 800-423-0151 ext 4179 or by email at selina.worley@inbcsaves.org.
